Ministry of Foreign Affairs and Trade of Hungary procurement

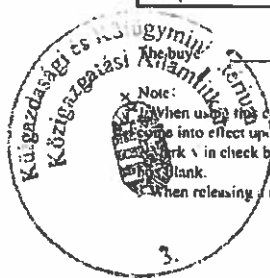

<b>Contract terms</b>	<p>1) For the products supplied, the transportation method is selected according to the actual situation of the supply and demand parties, and the delivery date is April 30, 2020.</p> <p>The supplier is only responsible for shipping the goods to the domestic airport appointed by the purchaser and is responsible for all procedures for customs declaration. The international shipments part is to be resolved by the purchaser.</p> <p>2) If the purchaser has overdue payment, the purchaser shall pay overdue fine to the supplier at a rate of five-thousandths per day and shall bear the cost of the losses suffered by the supplier.</p> <p>3) Courier contracts must obtain a certificate of entrustment from the client or entrusting agency in advance, which must be signed by the name of the client or entrusting agency within the scope of authorization, so that the rights and obligations of the client or entrusting agency can be directly generated.</p> <p>4) The supplier is not responsible for any inability or delay in delivery due to recognized force majeure factors. However, the supplier must inform the purchaser in a timely manner when the incident occurs. When the event of force majeure continues for more than 60 days, the purchaser may cancel the contract or the undelivered part.</p> <p>5) During the implementation of this contract, if a dispute or dispute related to this contract occurs, the two parties shall resolve the dispute through friendly negotiation. If the settlement cannot be reached through negotiation, it can be settled by the court where the contract was signed. Litigation costs (unless the court decides) are borne by the losing party.</p> <p>6) Please remit the contract amount to the supplier account specified in this contract. If the contract payment is sent to other accounts <del>without the written</del> consent of the supplier's finance department, the loss of the payment shall be borne by the purchaser to meet all economic and legal liabilities.</p> <p>7) The path of the receiving bank provided by the supplier will be presented</p>
